Mr. Garner J. Cline, Counsel
Subcommittee on Immigration and Nationality
The House of Representatives
Washington, D.C.

Dear Mr. Cline:

I know that without your help, encouragement, persistence, and belief in our people, H.R. 2138 would probably not have gotten to the hearing stage it reached last Thursday. All of us are most grateful to you.

I appreciate the time you took last Thursday afternoon to meet with Mr. Kinyon and Mr. Evdokimov to further discuss the bill.

If there is anything that members of my staff or I can do to further the progress of the bill, please let me know.

Thanks again.

Sincerely yours,

John Richardson, Jr.
